Managing director Sendo Shipping

# Sustainability

Intentions prevail Opportunities

# Approach

Vision

Objective

Monitoring

Data collection

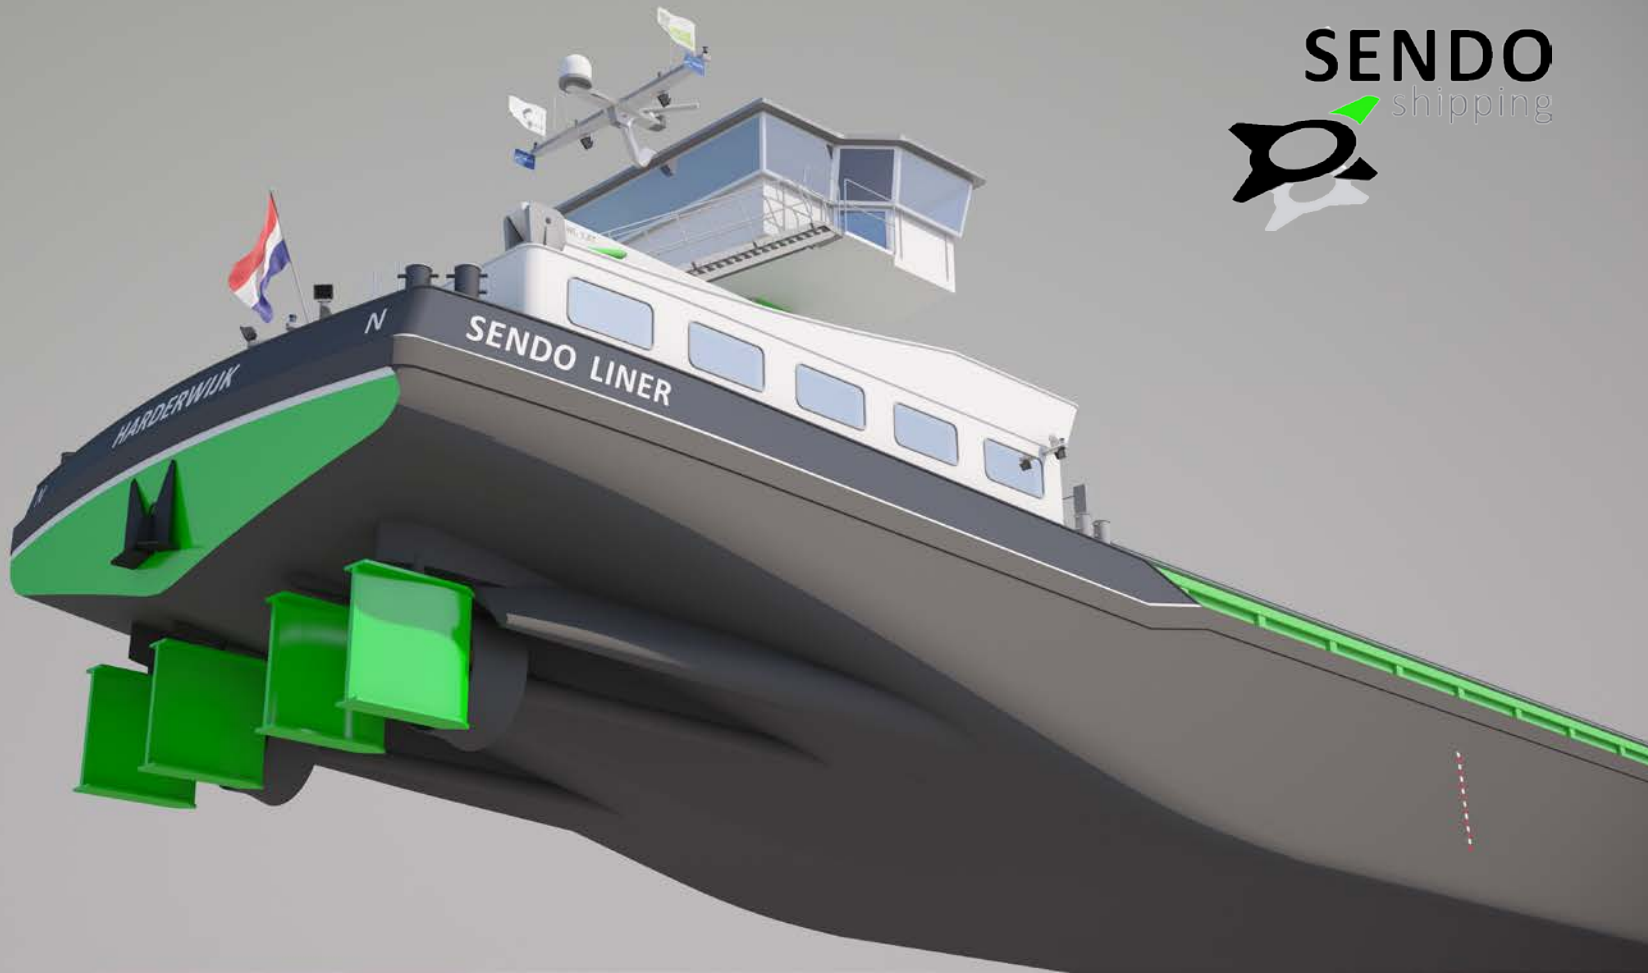

Technical research

# Goal orientated

Don't talk, but do!

# SENDO LINER

*Ship of the future*

More sustainable

Modular approach

Future-proof

# Results Sendo Liner

CO2 reduced by 40%

Separation of energy carrier and demander

Modular electrified platform

Prepared for future energy sources

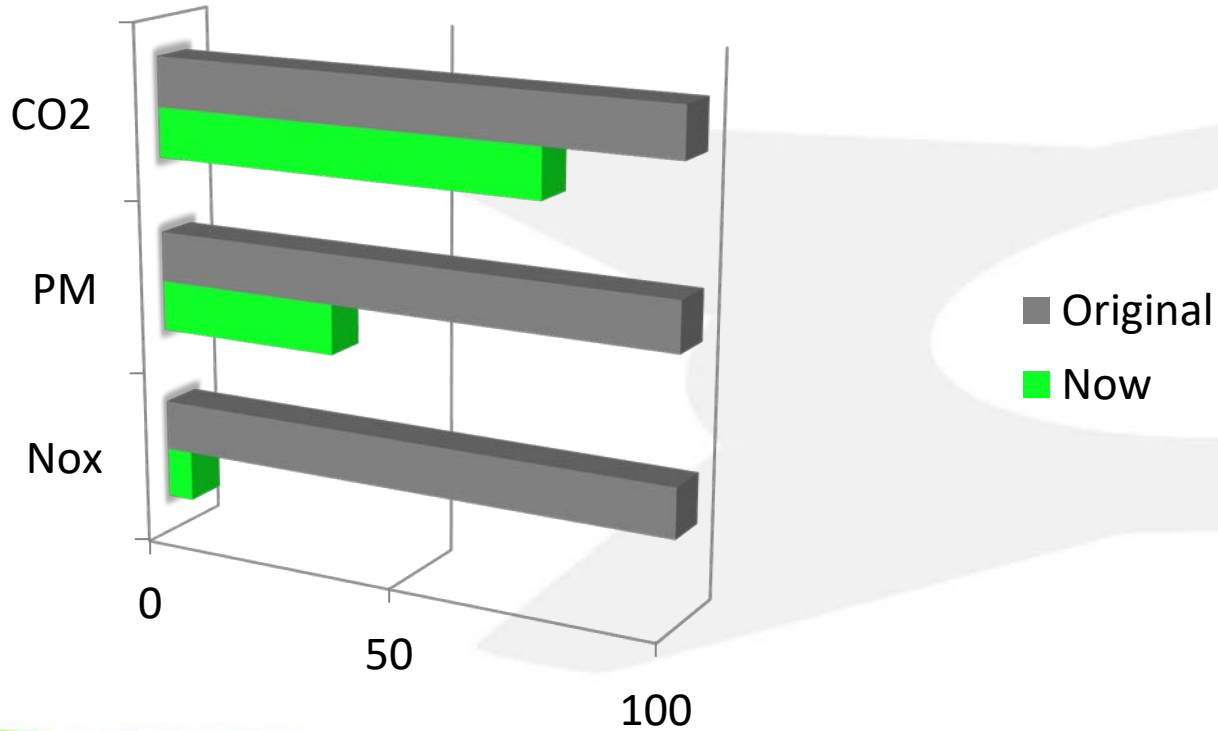

Ship runs on 1 generator 375 kW by  
connecting battery pack
